I hereby authorize Homeservice Club to arrange for delivery of home heating oil during the current heating season and for future heating seasons as required. I understand that I am to pay the Club's arranged supplier for my heating oil and that Homeservice will cancel my previous supplier as required. Homeservice Club will issue my rebate of THREE CENTS (3 cents) for each litre of home heating oil purchased from the date of transfer of my account to Petro Partners during the 2010/2011 heating season, and pay three cents (3 cents) per litre annually thereafter or until further notice. Homeservice will pay this rebate in one lump sum upon completion of the 2010/2011 heating season (Sept.-Aug. of each year) during the month of December following the previous heating season. I further understand and agree to pay an administrative fee of \$100 should I cancel this Agreement within 120 days of the date of signing. I also understand that I have the option of receiving absolutely FREE 100 litres of heating oil and 50% off Petro Partners Gold Award Furnace Service Plan (one-time offer; subject to the terms and conditions of the plan).
